

Recent UNSHACKLED! Listener Excerpts:

Donald of Chillicothe, OH writes....

I have listened to Unshackled for several years. I have always wondered (like I'm sure other of your listeners have) if these stories are "for real" or just the figment of some writers imagination. Well, I recently discovered your Unshackled web site, and was I ever surprised. Rev. Levi Whisner (08/08/04 & 08/15/04) was the pastor of the church where we sent our children to their Christian Academy. Then, I found Steve Sokola who is a good friend our our family on the program dated 06/18/06. Last but not least, in 1996 we moved to Mitchell, South Dakota and placed our children in Faith Bible School there. One of the young converts in the church was Chad Klunder (12/03/06 - A2896). Obviously, since I KNOW these men, I know now the Unshackled stories ARE "For Real"!!!!!! I just spoke with Chad last week in Sioux City, Iowa and he and Hanna (his wife) are still very active in the work of the Lord. As I was listening to THESE stories, something hit me: I KNOW these stories are true BECAUSE I KNOW THESE MEN. It is the same with Jesus Christ and the Holy Bible. I KNOW He is real, because I know Him personally! However, I WILL remember you folks at PGM in prayer every day as God brings you to my mind. Thank you for the work you are doing.

I just want to let you know how much I appreciate "Unshackled". Thank you!

My name is Steve Stern. I am 44 years old. While I was brought up in a "religious" home, I only really found Jesus a few months ago. Shortly after I gave my life to Jesus, I discovered "Unshackled", and it has become an important part of my new life.

I am an alcoholic and I have been sober 19 years. It is amazing how so many of the stories featured on "Unshackled" revolve around alcohol & drug addiction. I am grateful that so many of us have found Jesus through our recovery. It only goes to prove that no matter how far down the scale we have gone, our lives and faith can turn us around and we can use our experience, strength and hope to help others like us.

Please know that I appreciate your efforts in spreading the good word. God bless you!

Agaba of Mbarara, Uganda writes...

I really don't know how to break it down because the joy inside me is ever overwhelming. I got saved through listening to Unshackled in 2004 in Mbarara Uganda, God led me to a good bible church where I went through discipleship course and got later became a member of that church. My pastor Bryan Stensaas is a great man of God and he taught me very many spiritual things.

I can't tell you how many times I have cried listening to heart warming people's testimonies. I have listened to Mavis Donaldson(2749-2750) testimony uncountable times and all I can do is cry and cry. Thank you for Unshackled.

I am in Iraq on a one year security contract and everyday I go to the computer room and listen to Unshackled on line. I had a great week when I called my pastor back in Uganda and he told many people are receiving the Lord. I am requesting prayer band to pray for my mother back in Uganda who's been sick for the past one year, so that I can make money here and then go and take her to the hospital.

Please send me PGM news letter and thank you once again for Unshackled.

Just want to tell you, I've heard Unshackled all my life (60 years), off and on, and have never heard a bad one. This is my first chance to ever communicate with you. Would just like to say Thank You. It has constantly been there to help me get back to my walk with Jesus.

Ruby from the Philippines writes...

I just would like to say Congratulations for the very beautiful radio station. It's very much worth listening. Honestly, I just hold back my tears coz you know, I'm in the office, finishing my pending assignments. And I am listening to this converted Muslim. He's words about Christ is very amazing, breathtaking, inspiring, I don't know. I could cry for his experience as he converted and turned to Christ. I love his prayers. I can feel how Jesus touched his heart.

God bless us all. God bless your station. Jesus is sooo good. All the time.
