

“Free Indeed!”
Two minute testimonies for radio broadcast by
Pacific Garden Mission

Theodore, Katherine, Leah, Eric. These four young people listening to urban formatted radio stations in 4 major cities one summer were unexpectedly confronted with a startling message. The hip-hop music and sexually explicit talk shows were interrupted by two-minute testimonies of young men and women whose lives had been transformed through faith in Jesus Christ! At the end of the testimony, listeners were invited to call a toll-free phone number to learn how they, too, could be “free from the weight of sin.” Counselors trained and supported by NeedHim National Media Outreach, Inc. were available to answer calls 24/7. Theodore, Katherine, Leah and Eric were among those who called and prayed to receive Christ as Lord and Savior of their lives.

While **Free Indeed** continues to be heard daily on over 250 radio stations, plans are being considered for future outreach opportunities on secular radio. The expense is considerable, but the rewards are eternal. There is no more powerful means of communicating the gospel than through a **personal testimony**—the account of what God has done in an individual’s life. **Now** the impact of an **“UNSHACKLED!”** testimony is available in a compelling, contemporary **two-minute** radio feature that is pleasing to the ear and convicting to the heart.

Free Indeed is designed as a daily (M-F) feature and is available on **Compact Disc** and via **satellite** from Ambassador. To begin receiving **Free Indeed** on CD, or to register your intent to air this feature via satellite, please complete and return the enclosed form. For more information, or to request the program, contact Station Relations in the “Unshackled!” Dept. at **312-492-9410** or e-mail: unshackled@pgm.org.

Replication

Replication of "FREE INDEED!" programs must be limited to one copy of each program per station library. All station libraries must only be accessible to the station(s) pre-approved to broadcast the program. If you desire to release the program to another affiliate, please contact us.

Cost

The cost of producing and distributing "FREE INDEED!" is provided by the gifts of God's people to Pacific Garden Mission, a homeless shelter founded in 1877. Although a radio drama program is one of the most costly types of programs to produce, PGM never asks for money on "FREE INDEED!" Because of our limited resources as a homeless shelter, Pacific Garden Mission does **not** purchase airtime on domestic radio stations.

Copyright

Each "FREE INDEED!" program is copyrighted. An approved station may not duplicate the program for any other station or affiliate without written permission of the president of Pacific Garden Mission. Stations airing "FREE INDEED!" without permission are violating copyright laws. No portion of an "FREE INDEED!" program may be used for any purpose other than as originally intended in its original completed form. "FREE INDEED!" in any media format may not be sold, offered as "prizes," or, in any other way, be assigned a monetary value.

Editing

Because "FREE INDEED!" is the copyrighted property of Pacific Garden Mission, it **may NOT be edited or altered** in any way without written permission of the PGM president. This includes all story content, music, sound effects, and informational announcements.

Sponsorship

Airing stations may find a sponsor for "FREE INDEED!" The program is timed to 2:00 minutes. PGM will have no involvement in finding or endorsing a sponsor.

On-Air Interviews

The President of Pacific Garden Mission, as well as the "UNSHACKLED!" / "FREE INDEED!" Program Manager are available for pre-arranged telephone interviews.

Program Distribution and Station Libraries

Media in any format may be retained to build a station library. The exception is any cassette/CD marked "DATED," which should be destroyed after the airing date. An undated cassette/CD is provided to replace each dated one. These programs may then be rebroadcast at a later date according to your own schedule.

In order to effectively serve our (and your) listeners, we ask that stations respond to our requests for information in a prompt and complete manner, and also notify us if there is any change in your broadcasting schedule that would add, drop, or change the broadcast of "UNSHACKLED!" or "FREE INDEED!"
